Canada Games Flag

At the conclusion of each sport in the Games, each province is ranked according to a system outlined in the sport's technical package. Canada Games Flag Points are then awarded as noted below, with men and women ranked separately when they compete separately. When men and women compete together in a sport, as in tennis with mixed doubles, the points are doubled.

1st Place	10 points	8th Place	3 points
2nd Place	9 points	9th Place	2.5 points
3rd Place	8 points	10th Place	2 points
4th Place	7 points	11th Place	1.5 points
5th Place	6 points	12th Place	1 point
6th Place	5 points	13th Place	0.5 points
7th Place	4 points		

When all sports are complete, the points for each province or territory are added together, with the team having the highest point total being awarded the Canada Games Flag.
