### We Want to Hear From You!

Tell us about your community and your sporting history. We are looking for communities to share their stories about their sport heroes and their sport traditions. By completing this questionnaire your community may have the opportunity to become a part of a permanent tribute recognizing the unique contributions Aboriginal peoples have made to the sporting heritage of British Columbia.

### Brief Description of the Project

2010 Legacies Now is partnering to create a permanent tribute at the B.C. Sport Hall of Fame and Museum to recognize the unique contributions Aboriginal peoples have made to the sporting heritage of British Columbia. Through interactive exhibits, photographs, video components, text panels and artifacts, the exhibit will be one of the only permanent Canadian tributes highlighting the stories of Aboriginal athletes and Aboriginal sport.

We thank you for your time and effort. All submissions will be reviewed by committee, and successful communities will be contacted directly.

*Please use additional pages as necessary - many thanks!*
